

SSAB EMEA MOST VALUED SUPPLIER AWARD 2011

Presented to

AB Tebeco

The SSAB EMEA Most Valued Supplier Award 2011 is an expression of the joint efforts aimed at innovative solutions, which are advantageous to suppliers and SSAB alike – and thus also benefit SSAB's customers. With this award SSAB honors suppliers' efforts to optimize processes in the shared supply chain.

The objectives of the SSAB EMEA Most Valued Supplier Award are to raise awareness of the key role suppliers play in our corporate success, reward and reinforce strong supplier management by SSAB personnel, illustrate that SSAB values and listens to suppliers that help us reach our goals and increase commitment from suppliers.
